Profitable Crops

Rich, productive soil becomes more and more valuable every year. Your soil will either become better or worse according to how you treat it. First and foremost in the right treatment of all land is the right fertilizer nature's plant food.

The Parmenter & Polsey Animal Fertilizers offer you this food in its most concentrated form of BONE, BLOOD, MEAT and high-grade chemicals. The very nature of this animal material makes these fertilizers the most powerful and productive known. They act quickly, feeding a crop to abundant maturity and leaving the soil

in prime condition for the next year's crops. The BONE, BLOOD and MEAT substances are the most essential plant food in the world. There's a brand for every crop you plant. Ask for booklet containing information about crops grown without potash last season. See the Parmenter & Polsey dealer nearest you and get the BONE, BLOOD

and MEAT animal fertilizer that makes big crops. PARMENTER & POLSEY FERTILIZER CO., BOSTON, MASS.
